BACKGROUND

Representatives from the McGrath family reached out to City staff to request the installation of a memorial bench, with accompanying plaque, at Crane Park in honor of their late father, Charles McGrath. According to the family, Charles played bocce ball at Crane Park for nearly 30 years, raised his nine children in the St. Helena area, and was an active member of the local community up until his death in 2015. Charles would have been 101 years old this past July and the family has requested honor their father, as well as provide a bench to rest and watch bocce ball for future players and park visitors.

During the August 29, 2022 meeting Christina McGrath attended the Parks and Recreation Commission to provide comment and request the commission support this proposal at a future meeting. Since that meeting, City staff met with the McGrath family at Crane Park to discuss the proposed installation location and verbiage to be included as a memorial plaque or bench engraving.

DISCUSSION

The McGrath family is proposing the installation of a memorial bench on the eastern edge of the bocce ball courts, located at Crane Park. Images of the proposed installation location is attached for the Commission's review.

The family is proposing an accompanying plaque or engraving that would read as follows:

Chuck McGrath
1921-2015
"Living to play bocce one more season"

The proposed bench will be consistent in material and aesthetics with the other memorial benches within our park system. If approved, staff will work with the family to order the bench and parks maintenance staff will install in the agreed upon location.

FISCAL IMPACT

There is no fiscal impact with this item. The cost of the bench and plaque will be paid for by the McGrath family. Parks Maintenance staff will complete the installation, but it is not expected to require staffing resources that will greatly impact their regular work schedule.

RECOMMENDED ACTION

Staff recommends that the Parks and Recreation Commission review the proposed bench installation location, memorial wording, and provide direction to staff on whether to move forward with installation.

BACKGROUND

The Commission has historically adopted a set of goals and accompanying ad-hoc committees to work on specific initiatives throughout the current term. These goals are intended to support and advise City Council and staff in completion of their work, which directly benefits the community.

The goals typically focus on policies, projects, or long-term vision and as a result, it is not uncommon for the Commission's existing goals and committees to continue into the subsequent year. The Commission adopted a set of goals and ad-hoc committees in July 2021 (updated December 2021), which are attached for your review. Below is an overview of the Commission's 2021-22 goals and accompanying committee assignments:

- Baldwin Park Improvements
- Pickleball
- Trails
- Parks & Recreation Master Plan
- Tennis Court/Crane Park Lighting

In addition, City Council adopted a set of three-year goals in 2021, two of which specifically request for the Commission to either take the lead or a partnering role in completing. The full set of Council goals is attached for your review and a summary of the goals that highlight the Parks & Recreation Commission are provided below:

- Goal 4C – Advance progress on development of walking trails
- Goal 4F - Prioritize General Plan "Parks & Recreation" Chapter action items with appropriate staff and Parks & Recreation Commission feedback into short (1-2 years) and long-term (3-5 year) actionable tasks; advance short-term tasks.

DISCUSSION

The purpose of this meeting's discussion is to develop a preliminary list of goals to consider for the 2022-23 term, which would be brought back to your September meeting for modifications and/or potential adoption. As the Commission evaluates its priorities for the coming year, it may want to consider which goals should carry forward from the previous term and any new goals you would like to introduce.

FISCAL IMPACT

There is no fiscal impact with this item. This discussion is intended to create a preliminary list of potential goals. Any outcomes of the adopted goals that would have a potential impact on the City's budget would be brought forward as individual discussion items at future Commission and/or City Council meetings.

RECOMMENDED ACTION

Staff recommends that the Parks and Recreation Commission create a preliminary list of potential goals, which will be brought back at a future meeting for consideration and potential adoption.

ST. HELENA PARKS AND RECREATION COMMISSION 2021-22 Ad-Hoc Subcommittee Assignments

1. Baldwin Park Improvements (Taylor and Weeman)
2. Pickleball (Demchuk and Taylor)
3. Trails (Deasy and Weeman)
4. Parks Master Plan (Deasy and Warner)
5. Tennis/Crane Park Lighting (Taylor and Warner)
