AUTUMN ANDERSON

PRODUCTION, MARKETING & ADMINISTRATION

📍 Saint Helena, CA

PROFILE

I hold myself to high standards and continually strive to create and maintain a clean and organized environment where quality can be maintained, and potential issues promptly identified and managed. This attention to detail enables my team and I to bring wines of the highest quality and acclaim to market. In turn, allowing us to grow our brand while building and maintaining a flawless reputation and prestigious brand image.

I aim to become an integral member of a close-knit team, where others are inspired to hold themselves to an equally high level of standards, and find balance by meeting high standards and dedication with a proportionate amount of humor and humility.

WORK EXPERIENCE

SENIOR MARKETING MANAGER

Elizabeth Spencer Winery / 2018 - current

As Senior Marketing Manager, I'm responsible for the development and implementation of all strategic marketing plans across all sales channels, creation and management of all forward-facing content and brand assets, and maintenance of CRM database.

- Utilize extensive industry knowledge to streamline messaging across all departments.

GENERAL MANAGER

Outland Wines / 2018

As General Manager, I oversaw all aspects of daily operations in the tasting room; the development and implementation of sales and marketing strategies, as well as new visitor experiences.

- Conduct weekly outreach to generate a successful referral network.
- Work with outside marketing agency on the development of all marketing campaigns and materials including digital/social and print.
- Administrative & Managerial tasks include inventory management, shipments, maintain customer database, fully manage Wine Club, payroll, manage online reservation system; train, supervise, and support tasting room staff.

PRODUCTION & MARKETING DIRECTOR

Locations Wine / 2015 - 2018

I joined the Locations team for the 2015 harvest to manage the California wines and Orin Swift lots being produced at Artesa Winery, successfully managing 75+ high-risk fermentations ranging from 5 to 25 tons. After harvest, I transitioned into my current role, becoming the brand's first full-time employee, assisting the President with the general management of the Locations brand, the logistics of international production, marketing and launching new wines.

- Main phone, mail and email contact for company.

SKILLS

- Provide Premium Customer Service
- Coordinate Deliveries and Pick-ups
- Schedule & Host Estate Visits
- Represent Brand at Off-Site Events
- Manage Allocations
- Manage Shipping Logistics
- Monitor Compliance & Label Approvals
- Support Sales & Marketing Teams
- Inventory Management
- Administrative Invoice Processing
- Manage Donation Requests
- DTC E-Mail Marketing
- Manage Website Maintenance
- Plan and Manage Virtual Tastings & Interviews
- Plan & Manage Winery Events
- Manage Bottling Schedule
- Forecast and Order Packaging
- Maintain Marketing Collateral
- Manage Inventory and Production of Brand Assets
- Development of Sales Tools
- Manage Product Development and Launch
- Organize Quarterly Sales Meetings
- Maintain Team Dropbox Account
- Create and Distribute Internal and External Newsletter Through MailChimp
- Work with PR Company to Develop Activity Calendar and Monitor Progress.
- Manage Physical Wine Inventory
- Experience with Both Small and Large-Scale Wine Brands.

My Family & My Dog

WORK EXPERIENCE (CONTINUED)

- Develop and maintain relationships with all our winemaking teams, vendors and outside agencies including compliance, transportation, warehousing, packaging, growers, marketing agencies, photographers, video producers, web developers, CRM & PR.
- In-house graphic design, and management of all out sourced design work, photography, and video.
- Development and implementation of all social media marketing efforts.
- Create and distribute monthly newsletters to internal and external mailing lists.
- Organize planning and logistics while traveling abroad.

WINEMAKING ASSISTANT*Ladera Vineyards / 2014 - 2015*

I executed all laboratory analysis from vineyard to bottle and supported the winemaker and cellar master in all aspects of production throughout the year.

- Maintained laboratory, chemical inventory, analysis records, and work orders in WMDB.
- Monitored 100+ small lot fermentations
- Organized bench trials, tastings, cork sensory evaluations.
- Active participation in lot evaluations, and blending trials with winemaker and owners.

ASSISTANT WINEMAKER*Rudius, TOR, Anthem, and Boich / 2013 - 2014*

Responsible for coordinating the execution of winemaking tasks through every stage of production, from harvest to bottling, maintained client barrel inventories, production and analysis records, and reviewed analysis for accuracy and potential QC issues.

- Communicated the status of 50+ lots between the Out-of-State winemaker, clients, and custom crush facility.

VINTAGE CELLAR HAND*Revenir Winemaking / 2013*

A contract facility located in South Australia, I worked with many of the area's best winemakers on projects ranging from 1 ton to 50 tons, and from regions such as Adelaide Hills, Barossa, and McLaren Vale.

HARVEST INTERN*Realm Cellars / 2012*

The efforts of our small, dedicated team were amply rewarded with both the Dr. Crane and the Absurd being awarded 100-point scores from Robert Parker.

HARVEST INTERN & OFFICE MANAGER*Terra Valentine / 2011 - 2012***WINE CLUB & OFFICE MANAGER***Casa Nuestra / 2010 - 2011***WINE CLUB & DTC SALES MANAGER***Burgess Cellars / 2008 - 2010***LEASED & OPERATED***Wisteria Garden Cottages B&B / 2007-2008***PLATINUM ACCOUNT MANAGER***55 Degrees / 2006 - 2008***EVENTS SERVER***Merryvale Vineyards / 2006 - 2011*

Current occupation (within last 12 months) Retired

Business interests in last 12 months: Construction of Current Saint Helena Residence

Previous Committee/Commission Experience:

Project Manager for the Avila Beach Remediation Project. The project involved execution under the San Luis Obispo County Board of Supervisors

and the California Coastal Commission

Education/Experience: A resume may be attached containing this and any other information that would be helpful in evaluating your application.

Registered Professional Engineer- State of California

I was project Manager for the Avila Beach Remediation project.

That project required interface with many local agencies including, the Sheriff, California Highway Patrol, State Coastal Commission, Fish & Game,

County Fire Dept., Port San Luis Harbor Commission, County Board of Supervisors, Coast Guard, and many local residents.

Professional and/or community service activities:

No recent activities as my final assignment before retirement involved extensive international travel

Local government related experience: None other than above

Please explain your reasons for wishing to serve on this committee/commission and how you feel that you may contribute

I have spent most of my career in Project development and execution.

The permitting of my current residence had some challenges

due to permit conditions which were successfully worked with the city to resolve.

I am interested in the continued development of Saint

Helena and recognize that items such as water supply and other items are limited

Resume/CV

Name: Richard Walloch

Qualifications: -BSME Washington State University 1969, Pullman, Washington
-Registered Professional Engineer in Mechanical Engineering,
State of California

Summary: An experienced Project Director with extensive background in both upstream and downstream Projects. Rich has a proven record of Directing multiple concurrent Projects and earlier in his career managing successful projects with Chevron and Unocal. Projects include the Project Management Institute Project of the Year runner up award for the North Pailin Project and two Unocal Chairman's Awards for outstanding achievement on the Avila Beach and Gunung Salak Projects.

Experience:

5/2011 to Present Principal- Walloch Consulting

4/2006 to 4/2011 Downstream Projects Director- Chevron Project Resources Company. Management of all Chevron Major Capital Projects for the Downstream refineries and Joint Ventures worldwide. The annual project spend was in the \$1.5 to \$3.0 B range.

11/04 to 4/2006 Project Manager for the A&B Gas Development Project for Unocal/Chevron Netherlands, The Hague. Design, Construction and installation of a 125 MMSCFD gas processing platform in the Dutch Sector of the North Sea.

8/02 to 11/04 Project Manager for the West Seno 2 Deepwater Oil and Gas Processing Facility. This Project was for the Installation of a Tension leg Platform offshore Balikpapan, Indonesia. The initial phase of the Project was for Detailed Engineering in Houston, TX. I was transferred to Jakarta, Indonesia for the Procurement and bidding phase. The project was cancelled when Phase 1 production indicated inadequate reservoir capacity to allow commercial development.

9/00 to 7/02 Engineering Manager- North Pailin Project. The Project constructed an 8 pile jacketed, 200 MMSCFD gas processing platform in the Gulf of Thailand. I was assigned to this project during the bidding phase (Perth, WA) and transferred to Batam,

Indonesia for the Construction phase and Offshore Gulf of Thailand for installation and startup.

- 12/97 to 9/00 Project Manager- Avila Beach Remediation Project, Avila Beach, CA. Managed the demolition, remediation and reconstruction of the town of Avila Beach, CA, where oil leakage had caused contamination of the town and beach. Responsibilities included Project Management, Public relations, and environmental permitting.
- 6/95 to 12/97 Construction Manager- Salak Geothermal Project. Managed the construction of a 195 MW Geothermal Power Plant in the Rain Forest of Indonesia. Received the Unocal Chairman's award for outstanding achievement. The project has operated at over 98% on-stream time since it's startup.

1980-1995 Projects with Unocal San Francisco Refinery

- 6/93 to 6/95 Project Manager- Reformulated Fuels Project. A 100 MM\$ revamp of the refinery to produce CARB Reformulated Gasoline. Added a new hydrogen plant, additional tankage and revised gasoline blending plus numerous minor refinery modifications.
- 6/87 to 6/93 Maintenance Superintendent, responsible for a 20 MM\$ annual maintenance budget. The department had 200 full time employees and turnaround staffing in excess of 1000.
- 1/84 to 6/87 Project Manager for 3 large Refinery Projects which installed a new crude unit, Isomerization Unit and Cogeneration Plant.
- 9/82 to 12/83 Superintendent of Personnel
- 11/80 to 9/82 Project Manager- Unocal San Francisco Refinery

Project with Hallanger Engineers, Orinda, CA

- 9/77 to 11/80 Project Manager for the 50 Crude Unit revamp at Tosco's Avon refinery. Increased the Capacity of the Crude Unit from 65,000 to 100,000 BPD. Installed Crude Desalting Units at both 50 Crude Unit and Unit 33.

Initial Assignments with Unocal

- 6/69 to 8/77 Various Engineering and maintenance assignments at Unocal's refineries in San Francisco and Los Angeles.
